To express my gratitude for the scholarship.

A.. scholarship of Rs. 2250 / - was given me in every month. It is very helpful for my educational activities.

I come to university from the boarding place. The fees is very higher. The books that I need to my educational purposes are very costly. So this scholarship is very helpful for ~~to~~ complete my degree.

I wish your scholarship programme success more. I express my heartiest gratitude for giving me this opportunity.
