Dear Sir / Madam,

Thanking for the scholarship

I'm a physiotherapy undergraduate of the Medical Faculty in the university of Colombo, Sri Lanka.

As a student I happen to come across a lot of expenses including accomodation, educational books, travelling expenses and so on, which could have been really difficult for me to cover if I hadn't I received this scholarship.

Therefore this scholarship is truly invaluable to me and I express my sincere gratitude for granting me with this scholarship.

Thank you.

Yours faithfully
