Dear Madam,

My name is xxxx xxxx and I am writing an application for a scholarship to assist me throughout my time studying in the Bachelors of Art at the University of Colombo. I would like to request to be part of your scholarship program for the remaining university year.

Being awarded the chance to study at the University of Colombo is an incredible opportunity for me and one I intend to seize wholeheartedly without reservation. It gives me great happiness in acknowledging the good work you are doing by giving scholarships to aspirants the university students. I have always seen your program as a great blessing to students like me those who want to achieve greater things in the field, but are unable to continue their studies due to financial constraint.

Further, I could not obtain university scholarships (Mahapola or Bursary) since my father, xxxx works as a government worker (Prison Guard) in Sri Lanka. His total salary is around LKR 33 000.00 per month and I have four family members in my family and all of us depend on our father's monthly income. For them, it is really hard to support financially for my higher education.

My total expense is around LKR 19 000.00 per month

Rent for accommodation	LKR 6000.00
Food	LKR 6000.00
Travelling	LKR 4760.00
Other expenses	LKR 2000.00
Total	LKR 18760.00

This is why I need a financial support to complete my university education. This scholarship will greatly help to pursue my studies and attain my goals. I will return the kindness you have shown by studying earnestly and scoring high marks.

I thank you for taking the time to evaluate my appropriateness for the scholarship and if you need further information please do not hesitate to contact me via email.

Thank you,
